Uniforms and Gear

Marucci Sports is an official partner of Impact Sports Academy and a top supplier in Major League Baseball. Owned and operated by current and former MLB players, Marucci is endorsed by many professional baseball and softball athletes. Through our partnership, ISA is able to offer an exclusive discount on Marucci products.

Each team will be provided a designated Marucci website to order uniform packages, team branded merchandise, baseball/softball equipment and gear.

Uniform Packages

As part of their team dues, a basic uniform/equipment package from Marucci is provided. This package includes: 2 jerseys, 1 pants, 1 pair of custom stirrup socks, belt and sublimated pullover. If you are a new ISA athlete, you will also be required to buy a Marucci helmet. Players will be able to purchase additional gear through a designated Marucci store.

Process to Order Uniform Package

Players (parents) will be emailed a link to place orders online for their included uniform package. These items will ship directly to ISA and be distributed by ISA staff at a team practice. Uniform packages must be ordered by December 1st. If a player does not order during the allotted time frame, a rush shipping fee may apply.

Players requiring additional gear can place orders at the same time as ordering their uniform package (otherwise the team store is open year-round). Players will be responsible for the cost and shipping charges for any extra items. These items will ship directly to the player's home.

Program Cost

Roster spots are secured with a \$500 *non-refundable* down payment in August. The remaining balance will be paid on a monthly basis via automatic withdrawal. Automatic withdrawal is mandatory unless "offline" (outside of the player management software) payments are approved by ISA Management. Player fee/program cost does not include travel expenses. Fundraising Opportunities

Opportunities for fundraising are available. At ISA, we feel that working together to raise funds to benefit others is part of building team camaraderie and individual character. Players are encouraged to participate, but such events will always remain optional.

ISA will coordinate the following two fundraisers:

1. In the fall, athletes will have the opportunity to participate in a Pizza fundraiser. A percentage of sales will be given directly to the athlete.
2. In the spring, athletes can participate in "Team Banner" fundraiser. Each player will secure advertisement funds from local businesses to be placed on the team tournament banner. Funds raised will directly benefit the player.

Please note: Individual fundraising opportunities are also encouraged, however, they must be pursued and completed by the individual player or team without the assistance of ISA.
