Elite Instruction Program

Welcome to our **POWERED by** program! ISA instructors provide position specific skill instruction for your established team or program. Our program curriculum is tailored to age, skill and ability level. Our goal is to help each young athlete solidify their mechanical foundation and maximize their individual potential, ultimately creating an unstoppable ball team.

ISA is centered in creating a progression-based instructional curriculum, complete with throwing mechanics, hitting, defense, pitching/catching, and game situations/softball IQ & awareness. ISA instructors are experienced, collegiate level coaches/players who teach players from ages 8 to 18. Each instructor has unique experience geared toward developing your players.

All ages receive 1x week practice time slot (October-March, pending package), with options for a second practice (January- April) for an additional price. Coaches are free to organize and run their own team practice on an agreed timeslot with ISA.

Open Facility Use

All athletes have access to the facility 2:30-4:30pm during the school year (excludes holidays/planned off days). Players can hit, take ground balls and workout. Facility use during these times is unlimited.

Partnered Vendors

Marucci - Uniforms/Apparel/Equipment

Marucci Sports is an official partner of Impact Sports Academy and a top supplier in Major League Baseball. Owned and operated by current and former MLB players, Marucci is endorsed by many professional athletes. Through our partnership, ISA is able to offer an exclusive discount on Marucci products.

Each POWERED By team will be provided their own designated Marucci website to order uniform packages, team branded merchandise, softball equipment and gear with discounts of up to 20% off. The team store will be open year round and allow athletes and fans a chance to order direct to their home at their convenience.

NOTE: All Powered by Teams will wear ISA branded uniforms.

Fundraising Opportunities

Opportunities for fundraising are available. At ISA, we feel that working together to raise funds to benefit others is part of building team camaraderie and individual character. Players are encouraged to participate, but such events will always remain optional.

ISA will coordinate the following fundraiser:

1. In the spring, athletes can participate in "Team Banner" fundraiser. Each player will secure advertisement funds from local businesses to be placed on the team tournament banner. Funds raised will directly benefit the player.

Please note: Individual fundraising opportunities are also encouraged, however, they must be pursued and completed by the individual player or team without the assistance of ISA. If athlete is behind on payments, fundraising dollars will be used for dues.
